# STEPS TO COMPLETING A LEARNING PLAN

STEP 1: BRAINSTORM
What goals/experiences will prepare you to meet the competencies of an RN in Canada? (assessment, documentation, technology, clinical skills, responding to emergencies, etc.)

_____

_____

_____

_____

_____

_____

STEP 2: ASSIGN TO THE DOMAINS OF PRACTICE
Utilize the *RRNP Domains, Competencies, and Quality Indicators* to assist. You will need 1-2 goals for each domain.

STEP 3: COMPLETE LEARNING PLAN
Use template on Moodle N3651 course site (Assessment 1)

STEP 4: SUBMIT

N3651 LEARNING PLAN

- HEALTH & HEALING
- LEADERSHIP
- TEACHING & LEARNING
- PROFESSIONAL RESPONSIBILITY
- DECISION-MAKING

This Learning Plan is a work in progress. You will be provided instructor feedback prior to beginning your practicum and will revisit and update your plan throughout your practicum. It is intended to be a practical document to help you communicate with your preceptor and guide your practice throughout.
