Introduction

This portfolio is a tool to help plan and document your continuous professional development. You can incorporate information from your self-assessment and peer feedback that will help you to plan your professional development activities. You can then track your activities throughout the year and evaluate your progress as you go.

Save this document to your computer and then you can begin.

Quality Assurance Requirements

Registered Nurses;

- meet minimum practice hours (1,125 hours over the last five years)
- **complete a self-assessment** using CRNBC Standards of Practice
- seek and receive **peer feedback**
- create and implement a **professional development** plan based on their self-assessment and peer feedback
- evaluate the effect of last year's professional development on their practice.

The requirements vary under certain circumstances such as **certified practice**, and for **nurse practitioners**. Please refer to the CRNBC website for more details.

Self-Assessment

In this section, enter relevant information from your self-assessment and feedback that will assist your professional development planning.

Here you can incorporate information from your self-assessment. To see your self-assessment questionnaire responses, check out your [QA Profile](#)
